

LA BRÛNE & LA BLONDE

J O A I L L E R I E

Since 2011,
NUDE DIAMOND

Since 2011,

LA BRUNE & LA BLONDE signature is the NUDE DIAMOND, free of setting, to be worn like a second skin. This magical process reveals the diamond from every angle and enhances its brightness.

Thanks to this concept, LA BRUNE & LA BLONDE gives a new twist to a timeless piece: the solitaire diamond.

Its creations are intimate and sensual, women can wear them daily, in an easy and personal way.

The inspiration comes from high jewellery pieces which mix set stones with twinkling diamonds free of claws.

LA BRUNE & LA BLONDE catches this amazing effect and offers it on easy-to-wear jewel pieces. True to its savoir faire and desire to show stones as they have never been shown before, LA BRUNE & LA BLONDE extends its NUDE DIAMOND concept to colored precious stones with the latest CONFETTI and POLKA collections.

Rubies, sapphires emeralds, tsavorites, lapis lazuli, onyx, mother-of-pearl ... will now also be featured at 360°.

All LA BRUNE & LA BLONDE jewels are Made in France and distributed in more than 130 points of sale
